

Timing Services provided by:

OC TriRunning Sports Inc.

Chris Klebe 443-497-4324, Charlie McClure 443-370-9202

www.octrirunning.com email: info@octrirunning.com

SERVICES INCLUDE:

- **IPICO Timing System (tag style timing system), in addition to computer timing we will also handle traditional style timing and video of finish as backup systems.**
- **Pre race registration coordination with race director**
 - Acquire registration list in excel spreadsheet format from race director.
 - Scan tags for all pre registered athletes, and all projected “day of registrations”.
 - Printing of labels for race bibs (mailed to race director in a timely manner).
 - Pre race reports given to race director (reports include counts on male, female, age groups, t-shirts, etc.).
 - Breakdown of all timing start setup equipment after race completion.
- **Timing setup for both start and finish.**
 - Start setup: cone barriers for crowd control.
 - Timing mat layout and setup w/computer readers.
 - Starting corral layout setup positions designated by expected pace grouping.
 - Finish setup: cone barriers for crowd control and finish lane(s).
 - Timing mat layout and setup w/computer readers.
 - Finishers announcement mat setup (optional).
 - One digital timing clock.
 - Breakdown of all timing finish setup equipment after race completion.
- **Post race reports will be given to race director in a timely manner.**
 - Reports will include overall finishers placements list, overall awards finishers, age group finishers.
- **Provisions provided by race director are:**
 - 2 hotel room accommodations for one night prior to race start date.
 - Full access to start, finish, and registration areas atleast 2 hours prior to race start time for timing setup.
 - Race bibs labeled and ready for packet pickup and tag distribution. Instructions (ditto provided by OC TriRunning) given to all participants at packet pickup locations on timing tag requirements.

PRICES:

- * IPICO Tag timing system = \$2,200 base fee for up to 500 participants, \$3.00 for each participant thereafter.
- * Traditional timing = \$2,000 base fee for 350 participants, \$3.00 for each participant up to 500. Traditional timing has a maximum limit of 500 participants, any race venue with an expectancy of more needs to use computer tag system.
- * 20% discount for all local venues inside Worcester and Wicomico counties.
- * OC Tri-Running Representative(s) can assist chip distribution at packet pickup location for additional fee of \$10.00/hr per reps needed.
