Do not pin thru this sensor or fold your bib, this will damage the sensor and result in no race time. These timing sensors are permanently attached and are yours to keep with your race bib. In order to assure proper timing please review the following:

- *Make sure to attach your bib on the front of your shirt on race day at the start of your race, No bib, No time!*
- *Do not trade your bib with another participant, it is uniquely programmed to your information.*
- *Do not cross Start line prior to race start.*
- *Do not cross finish line twice.*
